

Implementing Policy Change (AB 2246): Suicide Prevention, Intervention and Postvention

This workshop will familiarize attendees with the requirements for suicide prevention policies established by AB2246, and assist attendees with revising and updating current policies. During the workshop attendees will be introduced to the key principles of comprehensive school-based suicide prevention, intervention, and postvention. This will include an overview of available staff trainings and youth engagement programs.

This is a hands-on workshop and we recommend attendance by 3 to 5 people per district who are designated to implement suicide prevention policies at the district level.

Dates and Locations

The training will be from 8:30 am-4:00 pm. Morning refreshments and lunch will be provided. Participation is FREE.
